Hi! I'm **Yusuf** **Shalahuddin**

I'm an illustrator and graphic designer currently based in Surakarta. I have a passion and love everything that has to do with illustration and graphic design. I have special ability of manual or traditional illustration, as my plus value.

I enjoy exploring different colors, illustration, and design styles which give a fun and friendly vibes. I pay more attention to the details and composition of the illustrations and design.

I'm ready, got a high anticipation and expectation to get more experience, inspiration, and ability in creative field. And here's more about me and some of my best work.

Software Proficiency

ProCreate
Adobe Illustrator
Adobe Photoshop
Adobe InDesign

Bring Your Lettering Alive! - Surakarta

Typography Lettering Talkshow & Workshop

The background features several large, thin, light-gray circles that overlap each other. In the center, there is a red speech bubble with a white border and a small tail pointing downwards and to the right. Inside the bubble, the text "thank you!" is written in a white, lowercase, sans-serif font.

thank you!
