

A LITTLE BIT STORY ABOUT ME

Hello!

My name is **Meiliana Kartaatmadja**. I was born on **4th of January 1993**, as the youngest child of two sibling. I was raised as a **Christian** so i hold dear the belief that we have to work hard and God will do the rest. My bloodtype is **AB** and i'm **single**. Some said i am **weird**, another one said i am **perfectionist**, and the rest said i am **indecisive**. Honestly, I prefer to describe myself as an **ambitious person with a big curiosity towards the world**. For language, i'm learning basic **korean** and **japanese** language (hiragana,katakana, and a little bit kanji) but i still need a lot of improvement in those areas. My native language is **bahasa** and i have confidence in my **english** skill.
