

I am an illustrator based in Jakarta, Indonesia.

Career Objective

I'm Barkah Indarto, a Indonesian freelance illustrator based in Jakarta. I started out with Visual Communication at the Dian Nuswantoro University in Semarang. Inspired by seemingly small unimportant everyday situations, and snapshot photography with their impulsiveness, bad cropping and weird angles. People around me, the fashion industry, music, awkward moments and imperfections.

Personal Details

DATA SUMMARY

Date of Birth
Jakarta 2nd December 1992

Address
Taman Beringin II St. Ngaliyan,
Semarang - Central Java
