My Skills Set

Software

Talent

Languages

Words that fit my character rather perfectly:

Loyal, Patient, Creative, Perfectionist, Flexible, People person, Eye for detail, Social, Team player, Active and then some more!

I'M NOT A DOCTOR i am a designer

I am a person who has principles and believe **THAT IMAGINATION IS MORE IMPORTANT THAN KNOWLEDGE.** For while knowledge defines all we currently know and understand, imagination points to all we might yet discover and create

Why We Should Work Together

- Very Good understanding of the principles of design and design theories
- Good technical skills enables me to use my knowledge of design principles
- Ability to conceptualise and think visually
- Ability to work within a team or alone
- And More !!
