

Angel Nightray's CV

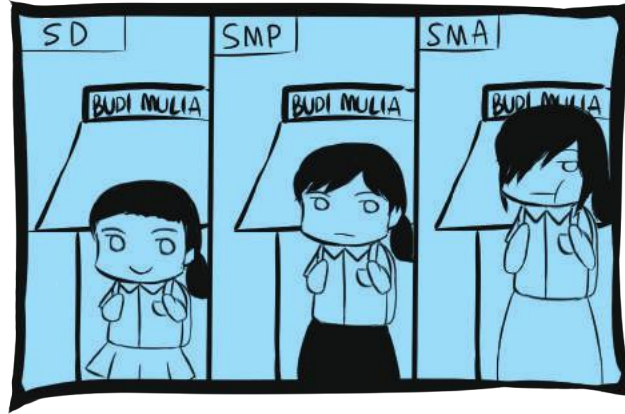

"A Little Story of My life"

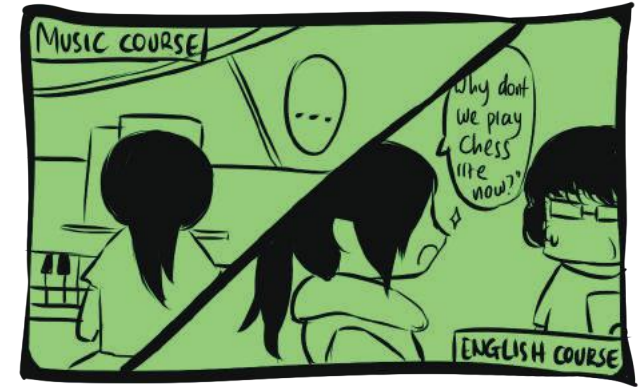

Angel Nightray - Xora, on October 19th 21 years ago, she was born as a girl, in a hospital, but was diagnosed as a boy few days before she was born.

She attended the same elementary, junior high, and senior high school, Budi Mulia. Which means she had spent 12 PRECIOUS years of her life learning stuffs in the same place.

She once attended Music course in Yamaha, even though she stopped at the 5th year of her elementary life. After that, she was forced to take an English Course at P.E.C.

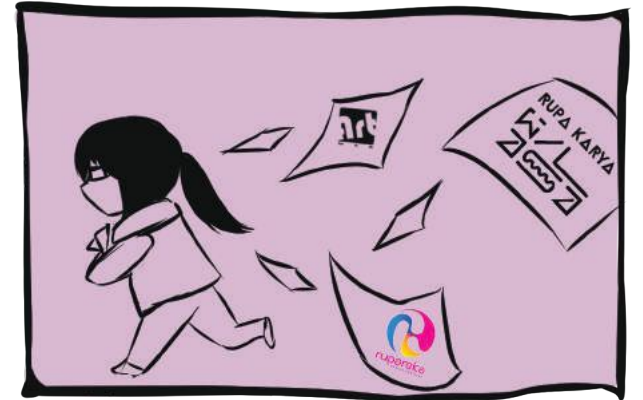

Angel Nightray - Xora

A girl who has a big passion in illustration and arts. Her dream is to become an illustrator and concept artist.

In her College Life, she usually does her work using some applications, such as Paint Tool SAI, Photoshop, and Adobe Illustrator. She also has a lot of art styles thanks to her passion in illustration.

She is also active, taking part in some activities in her college, such as being a member of ArtMAX Magazine and a committee member of RUPAREKA and RUPAKARYA.
