

HEY THERE!

On this good opportunity, I would like to apply as a graphic designer staff in your company. My name is Muhammad Hibatur Rahman, 24 years old, male, married, energetic and healthy. I am graphic designer and graduated from University of Brawijaya Malang on August 2014. I would like to expand my work experience.

My personality as a easy going, fast learned and respect deadlines type of person that bring benefit to your company. I will be very appreciated if you could give opportunity to work in your company.

Herewith I enclose my curriculum vitae, which will give details of my qualification. I hope you enjoy my resume, and I look forward to your reply.

*Yours faithfully,
Muhammad Hibatur Rahman*
