

nce upon a time..

lived a little girl who loves drawing.
She realized that a good visual
can bring happiness. So she draw
everywhere everytime to make
other people happy.

Until she grown up,
she decided to bring happiness to this world
by great visual.

SOMETIMES, YOU'LL NEVER KNOW
 THE VALUE OF A MOMENT
 UNTIL IT BECOMES A MEMORY

- DR. SUDUS

To realize the value of ONE YEAR
 ask a resident who failed a grade.
 To realize the value of ONE MONTH
 ask a mother who gave birth to a premature baby.
 To realize the value of ONE WEEK
 ask the editor of a weekly newspaper.
 To realize the value of ONE HOUR
 ask the lovers who are waiting to meet.
 To realize the value of ONE MINUTE
 ask a person who missed the train.
 To realize the value of ONE SECOND
 ask a person who just avoided an accident.
 To realize the value of ONE MILLISECOND
 ask the person who won a silver medal in the Olympics.

Treasure every moment that you have,
 and treasure it more because you shared it
 with someone special.

THE STORY

The story started from the planet in outer space. The queen is bored with the foods there so she command the Onyonyo, the chef to research about foods in other planet. In the middle of their searching, they smell something good. The smell comes from the earth, they take their rocket to the earth to fulfill their curiosity. It's how the journey begin.
