Project from Urban Pop.

Urban pop café is a first K-Pop themed café in roaling. Selling indonesian-korean fusion food that different with another korean food seller. The atmosphere of soul and k-pop will be one of their specialities. Also a place for K-Pop lovers to gather and watching their Idols Music Videos. Here I designed the corporate identity of Urban Pop such as logos, packaging, business cards, mirals, poster, and menu book.
