

HERZA I. M.

ILLUSTRATION, WEB DESIGN, VISUAL BRANDING

My name is Herza. I am a student who is currently taking Graphic Design Study Program in Universitas Multimedia Nusantara to procure bachelor degree. I am a graphic designer who has got profound passion in illustration, website design, and visual branding which I take as my specialties.

In website design field, I am able to invent efficient and user-friendly interface layout, plus make it work online as an ultimate active website by building its programming structure.

I am an active and visionary person who loves what I do and do what I love. I am always so passionate about learning new things. I have a favorite quote that says, "The mind is everything; what you think you become."
