

Nazary Duzky.

O-llo! Eh, hello!

My name is Nazary Duzky. I was born in Surabaya on 20 September 1995. I do really love design. Neither typography, packaging design, branding, environmental graphic design, nor advertising. Since high school, I already knew and worked with design. However, I knew I ain't good enough. So I am now looking for a place that willing to help me improve myself as I am willing to work hard and make a great contribution for that place.
