

CURRICULUM VITAE

Character

Most people say i'm funny. well i guess i'm just easy going. They told me that i'm very good with public speaking, well that's because i understand how people think and i know exactly what i'm talking about. so yess i am very confidence to speak upon people. I believe in myself, that is why i am very good to work in a team, yet my full potency will came out when i work alone.

Keeping all possibilites available and open, combined with my hunger for information, i always succed to impress the team with an original yet innovative idea.
