

Hello!

Hi! My name is Rendra Gilang Yuniarto. You can call me Rendra. I was born in Jakarta on June, 6th 1994. I am a fresh graduate from Telkom University in Bandung, majoring Industrial Engineering. My interests are, among others, in product development, science and graphic design. I love working as a team to reach a common goal and learn from each other. I desire to move forward, grow, and make positive contribution for the company or organization I'll be working in, my family and myself.
