28 August 1993
Jakarta

I'm passionate with Arts and Design.
I'm organized and I love to try new things and improve my skills. I've no problem with travelling or team working

I am a fun, outgoing person with a great sense of humor. I enjoy everything I do because, why not?

I have natural ability to identify problems and brainstorm solutions. I am constanly searching for way to improve the world around me.
