This is a file folder that i designed for BP Konstruksi Kementerian PU. These are the actual pictures of the folder.

## KIMIA FARMA ILLUSTRATION

This illustration represents Kimia Farma's outfit (in this case, - Padang) as a contestant on Duta BUMN contest.

#### **INDONESIAN YOUTH CONFERENCE EVENT & MEDIA**

EFlyer2

Infographic1

Infographic2

This is a guide book for the contestant of Forum IYC 2014. Indonesian Youth Conference (IYC) is an activity organized by young people, which aims to raise young people in Indonesia to share problems and ideas, raise awareness about current issues and convince the public that the voice of young generation must be heard and taken seriously.

The first T-Shirt worn by the contestant, and the second T-Shirt worn by the volunteer.

A website for Escape Sweet.

U-Report Indonesia is a new innovative way to approach, support, and involving positive things to young generation of Indonesia. U-Report is a program by UNICEF.

Above is the event calendar for new year. This is one of many event calendar that i did for U-Report.

The first one is a social media poster.

And the rest are web banners that placed on Republika Online (http://www.republika.co.id/).

For any further works about IYC, see here: https://www.behance.net/gallery/21311091/IYC-2014

These are some of the things i did for U-Report.

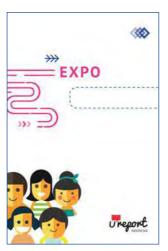

Banner stage backdrop and banner wall of fame on the last picture.

ID Card.

The first picture is cue cards, below them is the certificate, and on the right one is the standing banner.

To the left is the poster of U-Report Indonesia. And the rest is the social media teaser.

I did everything for the design alone. There's still so many things that i did for U-Report, but it will be too much to place it here. I will upload it to my online portfolio instead.

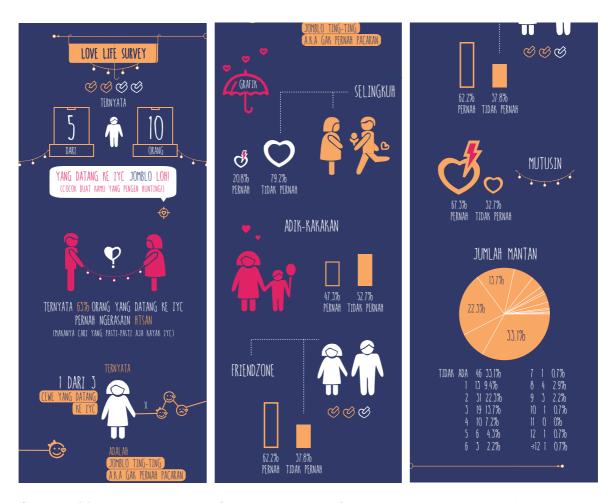

Sinergi Muda is a non-profit organization for young people, and this is a love life infographic for their program.

Grow is the rebranding of Rumah Belajar Phinisi.

These are the logo. I'm using sprout because their vision is to make young children grow better, just like the sprout.

These are the brochure and the banner.

Daryl Dixon.

Campaign.
