Personal statement

My name is meithy puspita sari , International Relation student batch 2012 in President University, now im in 7th semester. I am a hardworker person and stick to the deadline, fast learner, easy to adopt with new situation and condition, love travelling so much and curious with everything new, active in social media which are: facebook, twitter, path, line, maven say, skype, soundcloud, askfm, whatsapp, kakaotalk and kik, my username for all of my account in those social media is meithy puspita sari or meithyps. I have a good skill at SEO and content product writing. I have several seminar and training that could reflect that i have a basic for writing and i proper to be chosen in this position. I believe that interview gonna be a good chance to know me better.
