### About

Hi. Call me Fajar. I got my bachelor degree in ITS surabaya. I am a hard-working, energetic person and can work in pressure too. I want to learn a new thing and implement my skills and abilities in real working life. Then, I like challenges and sports, one of the sport is climbing the mountain, because I can learn about various things.

### Education

#### Sepuluh Nopember Institute of Technology (2013 - 2017)

Informatics Engineering Department Undergraduate Program

With field Interaction of Graphics and Art

learning created web, desktop-based applications, and user interaction UI/UX

GPA 3.26/4.00

### Work Experience

#### PT. Bank Rakyat Indonesia (Persero) Tbk. (IT Staff)

I have been working on a project to provide routers for BRI and outlets in Indonesia. learn and document the operational regulations of BRI's network in Indonesia. And created any features required by BRI consumers later.

Jul 2016 - Aug 2016

### Standardized Test

#### Test of English as a Foreign Language – Paper Based Test (ITS EFL)

Score 477/677

Jul 2017

## Project Experience

### Front-end Developer and UI Designer for Auction Applications (Team)

Created user interface of online auction application using HTML, PHP, CSS with MySQL database

Sep 2015 - Dec 2015

### Application Overtaking Car Using Oculus Rift and Steering Wheel

Desktop apps created with Unity, Blender, Visual Studio with C#

My final project to get my college degree, I made an Application, Artificial Intelligence, Application Design, and Documentation

Feb 2017 - Jul 2017

## Organizations

### Osis SMAN 4 Bukittinggi ( Jul 2011 - Jul 2012 )

Head of Department BELANEGARA Education

My role was to oversee Ekskul Paskibra, instilling and modeling disciplinary attitudes to the councils of OSIS and other students.

### Himpunan Mahasiswa Teknik Computer-Informatika ITS ( 2014 - 2015 )

Staff of Department Information Media

My role is set for the creative publication of wall magazines and web content. I learned how to work with people and think creatively to improve publications.

### BEM Fakultas Teknologi Informasi ITS ( 2014 - 2015 )

Staff of Department Information Media

My role of design for creative publication BEM FTIF ITS. I learned a lot of creative design and communication with many people in the organization.

### Himpunan Mahasiswa Teknik Computer-Informatika ITS ( 2015 - 2016 )

Head of Department Information Media

My role is to control my staff to be able to work maximally and creatively with the pressure from many work programs. My department won the best department in KM ITS by defeating other departments.

## Training

### Latihan Dasar Kepemimpinan ( 2011 )
