My name is Aldo Yannuar Primananda. I am a graphic designer from Bandung, Jawa Barat, Indonesia. I love to create simple design and i have an enthusiasm to find the best solution for communication design. My passions are typography, editorial, and illustration. I'm interested in graffiti mural and learning new stuff, that is why i love to explore typography. I'm certain that i can learn at your company and i would be very pleased if you would give me this opportunity and i will contribute with my creativity and my work capacity.
