*"Hi Hello,"*

My name is Mohammad Aziz Budiman, I was born and raised in Indonesia since 1992. I'm an optimistic person and a fast learner, so i can learn anything in any new work environment. I do Graphic Design with best concept and storytelling, I love working with a minimalistic unique style with precise details and best color choice.

# EDUCATION

**SENIOR HIGH SCHOOL** // Feb 2008 - Jun 2011

## DAPENA 1

I Study about Science High School Program and study arts basic such as basic drawing and graphic design.

**BACHELOR DEGREE** // Sep 2011 - Jul 2015

## PETRA CHRISTIAN UNIVERSITY SURABAYA

Majoring on Design Communication Visual, learning all basic skills from University but I was focusing on Graphic Design, Multimedia ( 3D Animation and Video ) and Illustration.

# EXPERIENCE

**YELLOW CAT STUDIO** // Jul 2014 - Aug 2014

## VECTOR ILLUSTRATOR

Apperantice as Vector Illustrator Artist, Drawing, Sketching and Coloring for mobile game apps. Concepting character design, draw sketch and animate it.

**FREELANCE** // Jan 2014 - Dec 2015

## DIGITAL PAINTER, 3D AND VIDEO

I make character design concept and make it to 3D character by using 3D Maya, Zbrush and Video Concept. As Vector Illustrator i make children book vector illustration drawing Disney Character, as Graphic Design i rebranding on some store.
•As Graphic Designer : I make rebranding on some store
•As 3D : I make Character Design and make the booth 3D Design
•As Video : I work as Cameraman for Google education

**VOILA INDONESIA** // Jan 2016- Present
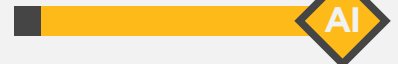

## JUNIOR GRAPHIC DESIGNER

My job responsibilities are receiving brief from Account Executive and then brainstorm the concept idea , we break down what we'll make on event and what's the most / newest things on activation program ( Including technology, how to approach consumer, how to deliver the message and reach client KPI ) and then I make Key Visual ( KV ), make POSM, 3D stuff.
