

MUHAMMAD FAATHIR

ILLUSTRATOR / GRAPHIC DESIGNER

i am the illustator and graphic designer indonesia, 19 years, i love surrealism, in the work that i deal with is the concept and story in it, and meaning in it. skill i'm not good but i'm trying to make my imagination more prominent than the ability. the perfect just the God every person has shortage of its own.

MOTTO

keep working until that dream comes true, and prove that there are things that i can do.
