David Teru Sudiono

Hello!

Hi! Nice to meet you, My name is David Teru Sudiono, born in 16th of August 1994. Im an aspiring Illustrator and a graphic designer who loves to see aesthetic stuff, quirky stuff and definitely likes to do design and the arts.
Being an ENFP, i love socializing with people and i'm pretty expressive myself. I took my design degree at Raffles Design institute from 2010 to 2014. shifted my major in 2012 from multimedia design to graphic design, i feel that i am much more suited as a graphic designer.
My main strength are : Branding , Drawing , Illustration & a keen eye for details.

Trivia !

**my secret talent is impressions.
i can make impression of various
dialect and accents.. especially indian.
(not trying to be racist!)**
