

The story began 8 years ago when my brother introduce me about graphic design.
in 2008 me and my buddy deli luhukay start a project caled "tukangdesign" with this project
I start my career profesionaly as a graphic designer with works including Logo Design, Yearbook,
Company profile, Wedding Invitation, Event, and many more
I realy love making artwork and I forget to eat when I design

DESCRIPTION

Terinspirasi dari logo pendahulunya mempertahankan sejarah makna dan arti lambang Kota Makassar

Buah padi dan kelapa melambangkan kemakmuran

Makassar terkenal sebagai kota pinggir laut yang kaya akan hasil-hasil laut seperti ikan, udang, kerang dll.

Perahu yang kelima layarnya sedang terkembang melambangkan bahwa Kota Makassar sejak dahulu kala adalah salah satu pusat pelayaran di Indonesia
