| Binus University | 2013 - Now |

ABOUT ME

My name is Kevin Nathaniel Ruslim. I was born in Jakarta, 22 December 1995. Now I am in Bina Nusantara University taking Visual Communication Design majoring. As a design student, I love to take a photograph, especially food photograph. Besides taking photos, I also give review for the food and post my review on Zomato application or my personal blog. I love retouching photos for making the photos more good looking.
