Profile

My name is Rezky Nugraha. Since I have a degree on Visual Communication Design, so now I'm looking for opportunities to utilize my potential on Creative Industry. I think communication is an important part in living together as human being and visual has solid impression on mind. I want to use my ability on my career in order to grow into a professional person. I have a desire to always learn new things so I could expand my knowledge and seize my viewpoint. I want to do my part to the world as best as I could.
