Dear \_\_\_\_\_,

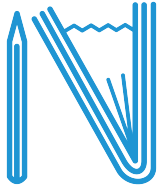

Hereby with this cover letter, I would like to inform you that I am interested to be a design intern in your company. I would like to bring my experiences and skills to work for your company.

I am familiar with various graphic design software programs. I have innovative and creative idea for graphic design. I have following expertises: logo design, page layout design, corporate branding, advertisement design and web design.

I enclosed my resume for my detailed experiences with the attachment of my CV and GSM. I would welcome the chance to meet you for discussing my qualifications further. Do not hesitate to contact me at 085781589718 or any other social media written on my CV. Thank you for your attention and consideration.

**Sincerely,**

*Natalia Christina*
