

BIOGRAPHY

Hello! My name is YOLIANA, I'm 21 years old graphic designer lived in Gading Serpong, Tangerang. This year is my third years at Pelita Harapan University, School of Design faculty. I have a desire for playing with colours and during my studies in Communication Design, I have developed a special affection for layout and identity. By applying into a clean design and a clear concept, I help people to understand and communicate affectively.
