

Hello, there !

My name is Evan Pramasandy, and i'm a graphic designer based in Sidoarjo. I love many kind of design stuff, and many design styles. It makes you improve all your skills and knowledge about it. I learn design since High School. Many design stuff attract me, so i can't stop designing. Now i love to design something simple, but sometimes i love to design a crowded things too. A field that interest me in design graphic are branding, packaging, IMC, layouting, etc. And the kind of skills i'd love to use is vecotrizing, digital painting and digital imaging. That's all fo me !
