Design Skills

The background is a white canvas filled with various colorful geometric shapes and lines. There are thick vertical lines in red, yellow, and green. A thick horizontal line in red crosses the middle, and another in blue is at the bottom. Scattered throughout are smaller shapes: green circles, yellow triangles, blue crescent moons, and red rectangles. The word 'Thankyou!' is written in a large, bold, black, cursive-style font across the center.

Thankyou!
