Hello, it's me...

My name is Ikrima Baskoro. Since finished school I've been deeply in love with graphic design. Until I met with lowpoly art, flat design and 3d animation I find true love. And I also understand about basic programming. They're like poetry. Currently I was studying at Binus University majoring in Visual Communication Design.

Till now I can't believe that my hands made something like this. OMG!

EDUCATION

2016 - 2020

Binus University
Visual Communication Design

2010 - 2013

Teratai Putih Vocational High School
Automotive Technique
