

Hi, my name is
Harris
Nathaniel Hendra

I'm a **Graphic Designer**

About Me

A highly motivated and hard working soon to-be Visual Communication Design graduate from Pelita Harapan University (GPA of 2.99) with many freelancing experiences creating marketing illustrations.

Specialised in making illustration and visual design using Illustrator, Photoshop, Indesign. Seeking to further improving my skills and abilities while gaining a hands-on experience working in the industry.
