I'm a design enthusiast and Cum Laude fresh graduate of Ciputra University Indonesia 2014 who works within 3 values :

Passion,perseverance toward every project
Grow,willing to improves and multiply the creativity
Innovative,explore the ideas beyond and infinity that brings every project turns into real masterpiece

Previously interned as graphic designer at Fruitylogic Design Indonesia in 2013 ,I adore the sense of simplicity and tend to bring my very best into every work.
