

# THIS IS ABOUT ME!

## Hi there!

I am Handika, you can call me Dika. I am graphic designer and motion graphic designer based in Jakarta. I love design since vocational school in Bandung. In 2012, I graduated from Undergraduate (S1) in Visual Communication Design, Indonesian Institute of the Arts Yogyakarta.

I began my career in broadcasting as a motion graphic designer and active as a freelance graphic designer and motion designer. I love to learn something new and challenging.

I love my work and enjoy each new project as I get it. Feel free to have a look at my portfolio and don't hesitate to contact me if you think I can be of service to you.
