Adalah proses pembelajaran digital yang dikemas dengan audio, visual, dan interaktif agar proses kegiatan belajar menjadi menyenangkan bagi penggunanya

Introduction: The purpose of this course is to help you understand what ERM is and how it is implemented in Garuda Indonesia company.

With an e-learning will make you easier to learn at your own place and time that best for you. You can start or stop learning as you wish.

## Objectives

After following this course you will be able to:

- Explain risk in general and in real world
- Describe ERM as systematic approach in managing risk
- Describe detail ERM processes
- Describe responsibility towards ERM activities

## Theme Song

Our company develops a theme song to communicate our corporate values, ideas, spirit and future visions. We select best musicians and most talented singers from Indonesia and abroad that fit into the company image. Of course, it costs a lot of resources from the company. But the impact to customers is huge. The customers feel the Indonesian atmosphere and the good image of our company feeling the air. We also sense the pride of being Indonesian national airlines company.
