

# DIONISIUS NICO ADITYA PRATAMA

## JUNIOR ARCHITECT

My name is Nico. I am a 23 years old. I was born in Malang on 15 October 1992. I like basketball, futsal, badminton, social organizations, travelling, arts and music. I started to love art and architecture since senior high school. And I learned in Architecture Brawijaya University to explore the whole architecture of his relationship with humans, nature and God.
