On this good opportunity, I would like to apply as Graphic Designer in your company. My name is Agto Eko Nugroho , 27 years, single, creative, energetic, computer literate, organised and responsible.

I mastered Photoshop, Illustrator, After Effect and Autodesk Maya. I'm able to create any kind of design for printing and digital such as motion graphic and 3D object. As my skills and qualifications match your requirements for this position, I am submitting my curriculum vitae for your review and consideration.

I have good motivation for progress and growing, creative, eager to learn and can work with a team or by myself. Beside that I also have

skills and passions in many areas of design, and computing. I like to make all my designs as simple, practical and logical as possible. I will be very appreciated if you could give in opportunity to work in your company. I trust that my skills and my outgoing personality will enable me to contribute to your high standards. I am confident I can provide many valuable contributions to your company.

Thank you for reviewing my credentials. I look forward to hearing from you soon.

With kind regards,

Agto Eko Nugroho
