### ABOUT ME

I am a 21-year-old Visual Communication Design student at Institut Teknologi Bandung. Growing up in Bali and currently living in Bandung. I am fond of basically everything art and design related, especially paper, craft and innovation.

I have been studying design for 3 years, focusing on Creative Advertisement. I love working with people, hence, I am good in teamwork. With my sense of creativity and non-stop imagination, I definitely am ready to be hired. Go further down to see why I am the man you need to hire!
