STUART!

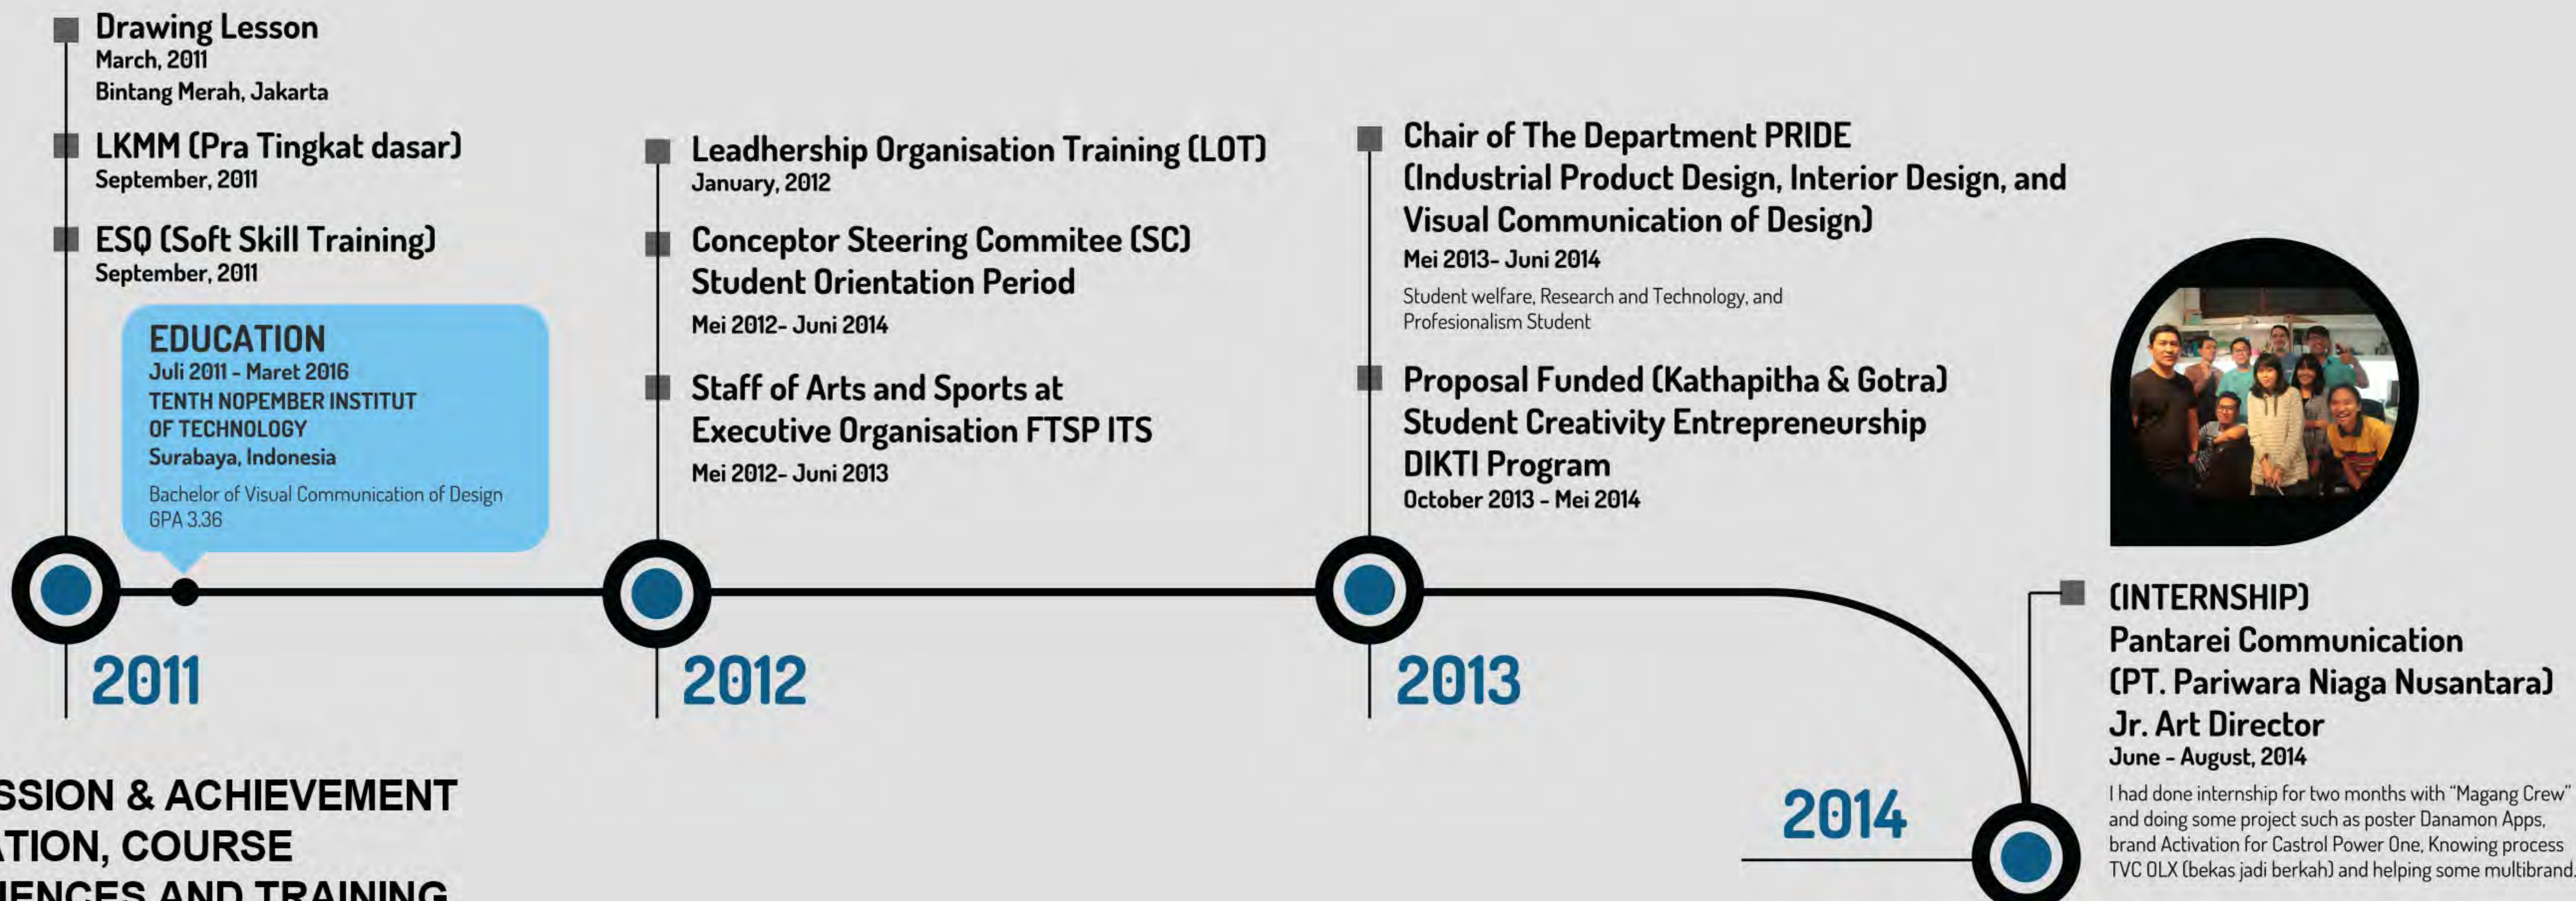

HELLO THERE!

My name is Septina Fajar Bilangga, but people usually calls me beng. I was born in Pati, September 29th 1993. I studied Visual Communication Design at Sepuluh Nopember Institut of Technology (ITS), Surabaya. I am what so called a fresh graduate with minimum 1 year experiences. I am graphic designer based in Jakarta, Indonesia. I have passion in illustration, copywriting, and graphic design. I used to handle clients such as Garudafood (Chocolatos, Gery), TPS (Beras Ayam Jago), Inaco, AQUA (Brand maintainance).

Love to learning something new, making friends, make experiences together, I never stop learning new style design and new forms of self expression to improve my skills. If I was a pencil, then I was love to create some fresh ideas, brainstorming to get insight and solve the problem, or just writing some diary friendship. So, may I be your pencil?
