

HELLO
MY NAME IS

FEBRIAN FAKHRI RAMADHAN GRAPHIC DESIGNER & ILLUSTRATOR

I am studying visual communication design with concentration on Graphic Design.

I love to create clean, smart and effective design and have enthusiasm
to find the best communication design solution.

My passion are creating illustration of character like designing character,
but also i love to designing, layouting and concepting all of my work.

I am passionate about my work and intend to learn more from different environment.

i'd love to work with aesthetics and communication.
