

CURRICULUM VITAE

"Design is an opportunity to continue telling the story, not just to sum everything up." - Tate Linden

I am a 22 year old Indonesian graphic designer currently striving for a degree in Visual Communication Design at Universitas Multimedia Nusantara. Besides my specialization, I have an extreme passion to work in the Graphic Design field, whether it is Print Design, Branding, Editorial Design, Copywriting, and more. My main goal is to satisfy all my customers and get feedback to make me a better Graphic Designer in the future, plus improving my style and striving for the best.
