I am a fresh graduate from Universitas Multimedia Nusantara, Faculty of Art and Design majoring Visual Communication Design. I am a creative person who want to expand my career in design and branding. During my study, I have got various freelance experiences in brand development, such as for PT. Sinarmas Land and some F&B (Food & Beverages) industries. Besides work, I also actively involved in organization, which gains me communication abilities. My career objective is to execute creative and strategic solutions for a brand development.
