Hi, I'm Elsa a girl with ponytail and glasses  
 I'm a food lover and fun person, obviously I'm a super random, I'm a quick learner with something new, I hate empty situations and love to exploring all around me. My work is focused mostly on illustration, user interface, branding

I was born in bogor October, 20 in 1994 but i didn't know about the city yet cause I'm a nomaden since i was inside my mum belly's, My current city is in Surabaya. But i live in Solo now for study hope i will finish it ASAP.

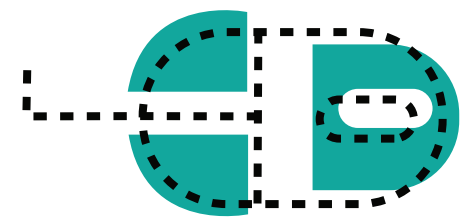

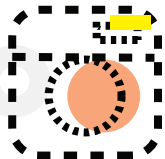

once more! please contact me if you able to accept me for creative fighter.

Regard! Elsa! XD
