PERSONAL STATEMENT

My name is **Robby Prada**. I'm a 22 years old Art Director on **Marbley Digital**.

A freelance Graphic Designer, Photographer, Videographer, and a Motion Graphic maker from Denpasar, Bali (Indonesia). I love everything that has to do with Graphic Design, Packaging, Industrial Design, Video Motion, etc. And I believe I have a good sense of art, with a good knowledge of colour matching, typography, and layouting.

I have 2 years of experience working as a freelance and working on a studio, but I'm ready for working on any design studio or a company that needs a man like me. Especially if they have the same passion I have for what they do.

Why don't we work together? Go further down and see why I am the man you need to hire!
