

Maria Marghareta Wibisono

PERSONAL STATEMENT

I am a college student who majored in computer science of Sekolah Tinggi Teknik Surabaya. I am always interested in many new things around me, one of them is programming. Because of this, I am looking for a job in IT fields that not only using my knowledge but also can increase my programming skill. Supported by many organization experience, it makes me know how to communicate, how to work in a team, and manage something.
