

# BASTIAN NICHOLAS

## ABOUT ME

Hi! I'm graphic designer in New Media sector. Graduated in 2015 from Bina Nusantara University School of Design. I was born in small city of Riau Island, Dabo Singkep. I have huge interests in designs, especially when it comes to concepting, branding, and making layouts.

I also love to playing music with my guitar, and strive to open and learn something new in art sector. :D

## OBJECTIVE

To be a professional graphic designer with prioritizing quality work as number one.
