experiences.

@leisureproject.id - Graphic Design Freelancer

2017 - present.

Started from selling some handmade merchandise in Instagram account called @leisureproject.id and then I am open for face portrait commission and other design needs such as packaging design, logo, CV, etc. By this Instagram account I'm also engaged some clients and do such a big project like making children activity books for commercial use.

International Conference on Environmental Engineering (ICoEE) Design and Branding Coordinator

2016 - 2017

The event was held by Department of Environmental Engineering ITS in Surabaya. I was responsible for the design, layout, merchandising, and another event publication needs, also involved with the technical and graphical aspects of the poster, flyer, merchandise, etc.

Petroleum Integrated Days (Petrolida) by Society Petroleum Engineers ITS Student Chapter - Creative Design

2016 - 2017

Petrolida 2017 was consist of some sub-event such as competitions and talk show that attended by students in Indonesia, Malaysia, Japan, and other Asian Country. I Was responsible for the design, layout, merchandising, and publicate the event needs. Also involved with the technical and graphical aspects of the poster, flyer, proposal, merchandise, etc.

Some Events in Himpunan Mahasiswa Teknik Lingkungan ITS - Publication, Decoration, Documentation, and Branding

2015 - 2018

Since in junior year until my last role as committee on 2018 I always have role in division that needs design and art skills, whether as team leader or staff. By that time, I usually make some branding needs, merchandise, doing documentation things such as making good photos or video. I also have some experiences in making events decoration. Some events that I have joined are Kampung Mitra (a social event related to environmental in a community), World Water Day, Environmental Magazine (yearly), Wall Magazine Team, etc.

Himpunan Mahasiswa Teknik Lingkungan (HMTL) FTSLK ITS - Communication and Information Division

2016 - 2018

As an expert staff I was responsible to made and manage the visualization needs for the organization (logo, photograph, and some other organization branding). Together with the team I made some publication and information visualization needs such as wall magazine, poster, magazine, bulletin,, news, fun project, etc.

Badan Kinerja Majelis Wali Amanat Wakil Mahasiswa (BK MWA WM) ITS - Public Relation Division

2017 - 2018

BK MWA WM is a campus organization that was responsible for connecting students and ITS as PTN Badan Hukum. In BK MWA WM I became a vice head of the public relation division. I was responsible to manage the team and involved in making design and branding needs for the organization. Together with the team I also manage the official social media account of the organization.
