*Horizontal placement*

I made a simply logo for re-branding of Karawang city. This logo went from growth of Karawang, from traditional city to modern city, from paddy city to industrial city. I combined tree, wave of water, and solid green color as an iconic of logo and brand. these mean is a philosophy of democraton; of the people, by the people, for the people.

# Event Identity

Eco-driving is an effective means to reduce vehicle fuel consumption. Although many researches and devices have been developed to introduce eco-driving, quantitative effects of driver behaviors on fuel consumption are still unclear, as well as quantitative eco-driving advices. In Indonesian, Ministry of Forest and Environment celebrated Environmental Event 2019, with theme Beat Pollution. Sub event; Ecodriving 2019

## Batik Batu Tumpuk Ngawi

Mahakarya ini dipersembahkan oleh Edhie Baskoro Yudhoyono dan Aliya Baskoro Yudhoyono dalam sehelai kain batik bermotifkan **"Watu Jagad Kali Tumpuk"** hasil goresan pengrajin Mitra Sehati Ngawi, Jawa Timur. Karya ini melukiskan nilai dedikasi dari keberagaman seluruh anggota Fraksi Partai Demokrat periode 2014-2019 yang merekatkan satu dengan lainnya seperti aliran sungai putih bertumpuk batu menyatu padu dengan keindahan alam. 61 segitiga berlian Partai Demokrat melambangkan kepak sayap perjuangan, persatuan, dan pengabdian kepada bangsa & negara. 80 guratan berbalut aksara jawa disetiap batu menegaskan prinsip dasar etika politik yang kokoh dari para tokoh Fraksi Partai Demokrat dibawah kepemimpinan Edhie Baskoro Yudhoyono. Karya ini juga menaruh makna kenangan yang memorable dan berkesan dari Bapak Susilo Bambang Yudhoyono dan Alm. Ibu Ani Yudhoyono.
