

PUTRI SRI RIDZKI

Illustrator

On August 7th, 1990, a girl was born. Her friends call her "a quirky one" because she loves games, cartoons, and comics way too much! Her dream is to become a successful illustrator. She's also known as an ambitious one. Because even when she falls down and the road is still long and hard, she always rises up and tries harder to achieve her dream.

Maggie the space train will give almost anyone in this universe a free ride.

But there's a catch. You have to show Maggie a funny face.

If you can't do a funny face, then Maggie won't let you have a free ride.

So why not practice right now and try out your best funny face?
