EXPERIENCE

2012

DESIGN WEBSITE WITH HTML AND CSS

- + Thesis for college at gunadarma university

Feb '13 - Jun'14

STAFF CREATIVE - PT ADI INTI MANDIRI SOLUSI

- + I worked on complex graphics, animations, and live video content for a variety of media, including smartphones, handheld electronic devices, web and television, among other. Other projects may include title and post- production jobs, as well as multimedia campaigns, promotional products, technical illustrations and computer artwork for use in various materials.
- + I do graphic designs like magazines, labels, ads, and signage. Typical activities include :
 1. developing concepts, company logos, and websites.
 2. managing client proposals from letters to design, print, and production.
 3. Presenting ideas and concepts that have been made.
 4. specify the size and setting of the material and the copy of the illustration, as well as the style and size of the font.
 5. review the final layout and suggest improvements if needed connect with external printers on a regular basis to ensure the deadlines are met and the materials printed to the highest quality.

Sept '14 – Jun '16

STAFF ADMINISTRASI - PT ALAM JAYA KARGO

- + Responded to consumers, dealers, and other professionals and answer questions, find out the address or forward callers to other company representatives.
- + Scheduling. I am responsible for keeping the scheduling of meetings, for example covering various matters such as arranging appointments with clients or planning weekly staff meetings.
- + Data entry. I am responsible for creating and maintaining worksheet data or incorporating information into corporate databases, and also keeping detailed records of consumer information: addresses, contact numbers, email addresses and service records.
- + Communication. I am also responsible for delivering important company information. Communication will take place face-to-face, by phone, by mail, fax, and by email.

Jul '18 – Oct '18

STAFF CREATIVE – PT MATA HATI VISI KREASI (MAHAVRA)

- + I worked to create a storyboard for a client application called tanamduit, besides story board I also made promotional animations, video editing, made stories, concepts and design for social media and their derivatives such as apps, web banners, etc.
- + I also handle clients from XL, where they have made new applications called XL Laut Nusantara. XL Laut Nusantara is an application platform for the sea in Nusantara Indonesia, this application has several features, including forecasts of fishing grounds, information on waves of Indonesian waters, wind direction information, weather information, port information, BBM estimates and calculations, and contact information marine research center. To handle the XL client I have made an animation promotion video for launching the application which was watched by Dr. Susi Pudjiastuti from the minister of maritime affairs and fisheries.
- + And also I made a story board for Sisternet with the theme of how to use social media. Sisternet is a service application with a variety of benefits aimed at women. In this application there are a number of features that can facilitate women's primary needs.

Nov '18 – Mar '19

STAFF CREATIVE – PT MITRA ERAT TECHNOLOGY

- + I worked to make animated graphic videos for an E-Learning Video called Qu-pintar, Qu-pintar is a forum for school learning, website-based and application. I made the video more interesting, made moving animation, color grading and matched the video with the script that was created.

- + Sometimes I fill in voice for animated video, for example commercial TV videos.

Feb '21 – Feb '23

STAFF CREATIVE – DSGN CREATIVE

- + I worked on clients promotional contents with various projects. Focusing on Digital Media.

Mar '23 – Mei '23

STAFF CREATIVE – LITTLE GIANTZ

- + I worked as Video Editor on 3-month project for Trungtung animated series.

Jun '23 – Feb '24

MOTION GRAPHICS – 5X11 NETWORK

- + I am currently working as Motion Graphic Designer in a team creating sport-related news contents for 5x11 Network : @gobasket.id & @ebolaspport.id

CERTIFICATE

This is to certify

AHMAD RIFAI

Has successfully completed the course of

J2SE Java Programming Language

held on : March 05, 2018 Until March 09, 2018

Jakarta, March 09, 2018

Recto

Margianti
Prof. Dr. E. S. Margianti, SE, MM.

1803011087315907

SUBJECTS:

1. Introduction to Java
Main purpose of Java Technology, Java Virtual Machine, Garbage collection, Java Runtime Environment
2. Expression and Control
Expression, Operator, Casting, Branching Statement, Switch Statement, Statement loop
3. Object Oriented Programming
Software Engineering, Analysis and Design Phase, Class as the design of the Object, Class declaration in Java, Information Hiding, Encapsulation, Source File Layout, Statement of Package
4. Class Design
Subclassing, Single Inheritance, Access Control, Method Overriding, Application Method Overridden, Polymorphism, Application for Parent Class Constructors, Class Object, Wrapper Class
5. Threads
Basic Controls in Thread, Synchronization in Java Technology, Model Control for Synchronization
6. Building a Java GUI
Abstract Windowing Toolkit (AWT), Build Graphical User Interface, BorderLayout Manager, Drawing AWT, J2SDK Event Model (Delegation Model), Event Handling, AWT Components, How to Create Menu
7. Advanced I/O Streams
The basics of I/O, Data in the Stream, The series of I/O Stream, Process Stream, Basics Class Byte Stream, Basics Class Character Stream, Convert Byte and Character
8. Networking
Socket, Networking with Java Technology, Java Networking Model
