

AZKA MAULA

GRAPHIC DESIGNER

ABOUT ME

Hello, im a graphic designer since 2009. For me designing is to satisfy, inspire, and look for new perspective.

On a personal level, i am ready to take on new challenges in the design world and looking to join a progressive firm.

Design**

UI Design

TECHNICAL SKILLS

Main Expertise

Photoshop, Illustrator, and inDesign
I am accustomed to use the software to design, digital drawing, & layouting as those are what i need to deal with in my job every single day.

Secondary

Corel Draw, Premiere, After Effect, XD, and Sketch
I can also use that software to design Web & Apps UI, video editing, and simple animation.
