KIEM ARCHERY SCHOOL

Amirul mukminim Umar Ibnu Khatab Rodhiallohanhu berkata :
 "Ajarkanlah anak-anakmu memanah, berenang dan menunggang kuda
 (Musnad imam ahmad Juz 1/30)

Ibnu Qoyyim Al Jauziyah berkata ,"
 Bagian organ mana saja yang banyak digerakan maka akan kuat. Khususnya berkaitan dengan jenis Olah Raga tersebut. bahkan seluruh kekuatan berawal dari sini. misalnya siapa yang banyak menghapal maka akan kuat hapalannya. siapa yang banyak berfikir makan akan kuat kecerdasan pikirannya. Setiap organ tubuh memiliki organ khusus. Adapun menunggang kuda memanah, bergulat dan lomba lari adalah olah raga fisik. semua itu dapat menghilangkan penyakit menahun seperti kusta, busung air, dan sakit perut .
 (zaadul Maad juz 3/145)
