

Achmad Lintang Wiranandha Hadi Kusuma

Born December 10th 1993

My name is Achmad Lintang Wiranandha Hadi Kusuma or **Lintang** is how I commonly addressed. I'm a professional **Graphic Designer and 2D Artist/Illustrator** who possess dream so high until it reaches stars above (hence my name, Lintang (javanese for star)).

As Confusius says, "**Seek for the job you love, then you will never felt to work at all**" which makes me determined to step up my career in this field of work as digital and visual artist. However I'm not intend to shut myself on any other field of work because I still always want to try and learn something new.

My dream is to be helpful to my surroundings as much as possible with my skill and ability. **I surely hope I can work with you to reach the dream of mine and yours**
